

2021 World Championship Bingo Tournament and Gaming CruiseSM

SEPTEMBER UPDATE

RCCL Cruising Protocols:

Health and safety protocols are subject to change and, as these occur, we are committed to updating you.

Pre-Cruise Requirements:

Vaccination

All guests 12 years and older must bring proof of vaccination, such as the U.S. Centers for Disease Control and Prevention's (CDC) COVID-19 vaccination record card, with the final dose of the vaccine completed at least 14 days before sailing.

Testing

- All Guests: Required Pre-Cruise Testing: Guests will need to meet the new requirements recently issued by the U.S. CDC.
 - o Vaccinated guests 12 years and older are required to present a negative COVID-19 Test Result (antigen or PCR) for a test taken no more than **2 days prior** to the sailing's departure date and before their arrival to the terminal. You may visit [RoyalCaribbean.com/HomeTestKit](https://www.royalcaribbean.com/HomeTestKit) to order your pre-cruise test kit with the at-home antigen test kits, shipped right to your door (anywhere in the U.S.) in 3 business days or less. Get results in 15 minutes with live video supervision by a Certified Guide. Please note, this at-home antigen test does not satisfy the pre-cruise testing requirement for children.
 - o Unvaccinated guests 2 to 11 years old are required to present a negative PCR Test Result for COVID-19 (antigen test are not accepted for children) for a test taken no more than 3 days prior to your sailing's departure date and before your arrival to the terminal.
 - o Proper documentation (printed negative test results or negative test results presented on your phone) from an accredited laboratory (no doctor's notes) is required to sail. All costs for this test are the guest's responsibility and must be done on their own, not at the terminal.
- Kids Aged 2 – 11 years: Go to [Royal Caribbean.com](https://www.royalcaribbean.com) for complete information.

Travel Documents Checklist

You will need to have the following documents when you arrive to board the ship.

- A Passport Book or Passport Card, valid for at least six months after you cruise, is strongly recommended. If you do not have a Passport, you may present a state-certified U.S. Birth Certificate (not a "baby feet" hospital certificate or baptismal paper). Guests aged 16 and older that present a Birth Certificate will also need to provide a valid Driver's License or picture ID issued by the government.

- COVID-19 Vaccination Record Card with the final dose of your vaccine administered at least 14 days before sailing. This is a requirement for all guests aged 12 years and older.
- COVID-19 Test Result: Vaccinated guests aged 12 years and older must show a negative COVID-19 test result for a PCR or antigen test taken no more than 2 days before boarding. Unvaccinated kids aged 2 to 11 must show a negative test result for a PCR test taken no more than 3 days before boarding. Antigen tests will not be accepted for kids. Read Detailed Testing FAQs on [Royal Caribbean.com](https://www.royalcaribbean.com)
- Health Questionnaire to be completed on the Royal Caribbean App the day before you board.

Mask Guidance

Below is Royal Caribbean's current mask guidance for all guests, except those under the age of 2 years, who do not need to wear a mask at any time.

Masks are NOT required to be worn:

- In open-air areas of the ship, unless you are in a crowded setting
- In the pool or any activity where they may become wet
- At venues designated for vaccinated guests only, such as select bars, lounges, restaurants and shows
- In your stateroom when you are with your traveling party

Masks ARE required to be worn:

- While indoors in public areas of the ship, unless seated and actively eating or drinking
- While visiting public ports of call, where local regulations may require them

Mask-Free Spaces:

- Some venues and nightlife events will be for vaccinated guests aged 12 and up only. Masks will not be required in these venues. Vaccinated parents are invited to enjoy these experiences while their kids are living it up at Adventure Ocean.

Dining

- All dining areas will feature spaced, sanitized seating. Nearly all restaurants and cafes will be available to all guests, though a select few specialty restaurants may be reserved for vaccinated guests only.
- In the Main Dining Room, RCCL will designate area for parents and kids and areas for vaccinated parties only. My Time Dining will not be available to parties that include unvaccinated guests.
- If you prefer a buffet, Windjammer will be open to everyone for breakfast and lunch, and the food will be served by the crew. Royal Caribbean recommends you make dining reservations via Cruise Planner before your cruise or using the Royal Caribbean app onboard.

Other Venues

If you have sailed with Royal Caribbean before, you will notice there are fewer guests onboard, allowing for you to each back into vacation mode. The ship's venues are set up to easily allow for physical distancing and there will be signage to guide you.

Entertainment

- Theaters and activity venues will offer spaced seating and more showtimes. Some activities, showtimes, or seating areas will be reserved for vaccinated guests only. Be sure to make show reservations once onboard using the Royal Caribbean app.

Going Ashore

- Royal Caribbean has worked with local tour operators to ensure they follow Royal Caribbean's Healthy Sail Panel health guidance for all Shore Excursions. These tours are available at a variety of price points and may be purchased in advance on Cruise Planner.
- Requirements for Going Ashore: Below are the current Royal Caribbean tour requirements at ports of call, which are subject to change as Royal Caribbean continues to evaluate circumstances around the globe.
- No Tours Required for Vaccinated Guests: Fully vaccinated parties may book a shore excursion or visit the port freely.
- Tours for Families: Families traveling with unvaccinated kids must purchase a local tour through Royal Caribbean if they wish to go ashore. This applies to all ports of call. Vaccinated parents wishing to go ashore freely can visit our youth facilities onboard to learn about drop off program hours and availability, and reserve time for their child on the day they wish to go in port.
